# CAPITAL WORKS AROUND THE CITY

Council is forecast to spend **\$111 million** on capital works across the City in 2017-2018, including:

**A \$30 million**  
on road surfacing and upgrades

**\$19.72 million**  
on our parks and playgrounds including construction of the Cameron Park recreation area and upgrades to Speers Point Park

**\$4.74 million**  
on construction and upgrade of local sporting facilities

**\$4.65 million**  
on traffic and transport improvements such as speed humps, school crossings and streetscape works

**\$2.13 million**  
on community building upgrades
