

TERALBA TO TORONTO CLIMATE RESILIENCE PLANNING

community feedback survey

Council is keen to work with local residents, businesses and community groups to proactively plan for climate change and build resilience in our lakeside suburbs between Teralba and Toronto.

- Teralba
- Booragul
- Marmong Point
- Woodrising
- Bolton Point
- Fennell Bay
- Fassifern
- Blackalls Park
- Toronto

Please complete the following survey to help us with this work. Your feedback and ideas will inform our understanding of climate related risk and resilience at the local scale.

Please note: this survey is available online at shape.lakemac.com.au/Teralba-to-Toronto if you would prefer to complete it electronically.

HAVE YOUR SAY

1. Name (optional):

2. Age (tick): under 20 21-40 41-60 over 60

3. Gender (tick): Male Female Non-binary Prefer not to say

4. Which suburb do you live in?

5. What do you value most about where you live? (tick all that apply)

- | | |
|---|--|
| <input type="checkbox"/> Proximity to lake, waterways or bush
<input type="checkbox"/> Natural beauty and wildlife
<input type="checkbox"/> Friendly people
<input type="checkbox"/> Public transport
<input type="checkbox"/> Shared pathways
<input type="checkbox"/> Community spirit | <input type="checkbox"/> Close to amenities, services or facilities
<input type="checkbox"/> Peace and quiet
<input type="checkbox"/> Other(s) - please describe:
<div style="border: 1px solid black; height: 40px; margin-top: 5px;"></div> |
|---|--|

6. On a scale of 1 (not at all) to 5 (extremely) how concerned are you about these climate related hazards in your neighbourhood - now and in the future (20 - 30 years)?

Hazard	Concern now (please circle)	Concern future (please circle)
Flooding	1 2 3 4 5	1 2 3 4 5
Bushfire	1 2 3 4 5	1 2 3 4 5
Sea level rise	1 2 3 4 5	1 2 3 4 5
Urban Heat	1 2 3 4 5	1 2 3 4 5
Other (please comment)	1 2 3 4 5	1 2 3 4 5

Comment/s:

6. What sorts of steps could Council and the community take to help build our resilience to the climate related hazards outlined above?

7. Would you like to learn more about Council's climate resilience planning work and/or receive project updates?

Yes (please provide contact details below) No

8. Would you like to get more involved in climate resilience planning from Teralba to Toronto? (tick any that apply)

Attend a one off event like a workshop or focus group to learn more and share experiences and ideas

Help draft and/or review project information and materials

Consider joining a working group planning for climate resilience (information available on request)

Contact details (email and/or postal address if interested):

9. Do you have any further comments about this work?

NEXT STEPS

Please return completed hardcopy surveys to Toronto or Speers Point Library, Council's Administration Centre (128 Main Road Speers Point) or call 4921 0333 to share your responses with the Council's City Resilience Team.

If you have any questions, comments or to receive project updates
