Summary of proposed changes by area

If proposed changes are supported by Council, the proposed revised planning rules will apply and will need to be considered if you choose to develop your property in the future.

AREA 1

- No change resulting from the boundary adjustment for the Heritage Conservation Area (HCA) in the LEP as your property is located within the existing and proposed future HCA.
- No change to current height controls.
- Proposed changes to the current DCP Heritage Area Plan. See the draft DCP for details.

AREA 2

- No change resulting from the boundary adjustment for the Heritage Conservation Area (HCA) in the LEP as your property is located within the existing and proposed future HCA.
- Proposed change to current height controls (maximum building height reduced from 10m to 8.5m).
- Proposed changes to the current DCP Heritage Area Plan. See the draft DCP for details.

AREA 3

- Proposed to be added to the Heritage Conservation Area (LEP).
- No change to current height controls.
- Proposed changes to the current DCP Heritage Area Plan. See the draft DCP for details.

AREA 4

- Proposed to be added to the Heritage Conservation Area (LEP).
- Proposed change to current height controls (maximum building height reduced from 10m to 8.5m).
- Proposed changes to the current DCP Heritage Area Plan. See the draft DCP for details.

AREA 5

- Proposed to be removed from the current Heritage Conservation Area (LEP).
- No change to current height controls.
- Proposed to be removed from the current DCP Heritage Area Plan. General controls still apply.

AREA 6

- No change resulting from the boundary adjustment for the Heritage Conservation Area (HCA) in the LEP as your property is not located within the current or proposed future HCA.
- Proposed change to current height controls (maximum building height reduced from 10m to 8.5m).
- Proposed to be removed from the current DCP Heritage Area Plan. General controls still apply.

AREA 7

- No change resulting from the boundary adjustment for the Heritage Conservation Area (HCA) in the LEP as your property is not located within the current or proposed future HCA.
- No change to current height controls.
- Proposed to be removed from the current DCP Heritage Area Plan. General controls still apply.
