

WEST WALLSEND SWIM CENTRE EXPANSION

ENGAGEMENT SUMMARY

26 JULY-9 SEPTEMBER 2024

WE ASKED

Through an online 'quick poll' and survey, we asked our community to share their feedback on concept designs for the new learn-to-swim pool expansion of West Wallsend Swim Centre.

We reached

 **670** visits to Council's online engagement platform, Shape Lake Mac

 **295** downloads of our concept designs

 **4670** reached via Council's e-newsletters

 **90** project notification letters delivered to West Wallsend residents

ENGAGEMENT SNAPSHOT

"Very clever use of the existing space and logical flow of usage."

"Love the learn-to-swim area and how it is separated from the general-use pool."

"Would love to see more detail of the bathroom change areas. Would be ideal if these were built to consider mums with a child or multiple children."

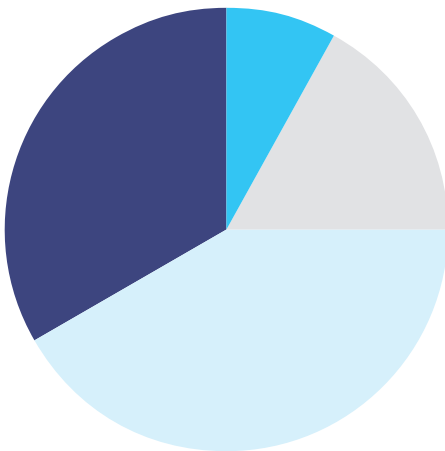

"Very good design and caters for swim classes and swimmers."

"I'd like better landscaping – shade trees in the car park so it's not too hot."
