

DRAFT DELIVERY PROGRAM 2025-2029 PLAN ON A PAGE

The Delivery Program includes strategies we will implement over the four-year Council term to achieve our community's goals and bring us closer to our vision.

Vision Lake Macquarie City: Strategic growth for a sustainable future

Goals

Where we'd like to be in 10 years' time

Economic

A city with a diverse and thriving economy

Environmental

A city that protects and showcases its natural environment and is resilient to environmental change

Social

A city where people want to live and work, and feel connected to each other

Governance

A Council that operates with good governance, trust, transparency and respect

Delivery Program 2025-2029

What we will do over the next four years

13 STRATEGIES, INCLUDING:

- Advocate to State and Federal governments for infrastructure funding
- Promote our city as an attractive place to visit and relocate to
- Create investment and long-term employment opportunities
- Ensure long-term planning facilitates opportunities for diverse, well-located and affordable housing to meet the needs of current and future residents

12 STRATEGIES, INCLUDING:

- Protect and enhance Council-managed natural areas and deliver waterway health outcomes
- Deliver programs to support our community's climate resilience and disaster preparedness
- Adapt and implement emerging technologies, processes and materials relevant to Council operations, with a particular focus on circular economy
- Provide support for programs and pilot initiatives to encourage lower household emissions in the community

19 STRATEGIES, INCLUDING:

- Manage existing community and Council facilities to meet the needs of the community
- Maintain and improve our open and public spaces
- Consult with and involve First Nations people in programs and activities delivered to our community
- Advocate for effective public transport facilities and connections across the city
- Provide and maintain local transport infrastructure, including roads, shared pathways and bus stops, to allow safe and easy movement around our city

13 STRATEGIES, INCLUDING:

- Enhance opportunities for the community to participate in Council decision-making
- Support Council's sustainable delivery of projects and services through sound financial management and control
- Implement a service review program to ensure services are appropriate, effective and efficient
- Develop programs to enhance the capacity of volunteers and volunteer organisations in Lake Macquarie
